

**GENERAL INFORMATION FOR ARTS & CRAFTS VENDORS
READ THIS CAREFULLY PLEASE!**

If you are interested, you must apply by emailing vendors @ wakarusa.com
You must put "Craft Vendor" in the subject line. List your items for sale and your complete contact information. If you are selected, a contract will be emailed to you.
There is not an application form for Arts & Crafts vendors. Please do not ask for an application.

You are not confirmed until signed contract, payment and proof of insurance (your insurer will provide a form for you) have been returned to us. Please do so quickly. Space will sell out. If we receive your contract/payment/insurance after we have sold out, your payment will be returned to you.

Due to the large volume of applicants, please understand that not all vendors who apply will be accepted. Decisions are based upon when you apply, what you sell and also past participation. We strive to provide a diversity of items sold by vendors by avoiding repetition of too many of the same/similar items.

Deadline to apply and also for payment is March 15th, 2012. However, spaces will likely sell out before this date.
